

# COMPANY PROFILE

**PT. SAHAT LAUTAN TEDUH**  
Ship Agency & Supply Marine

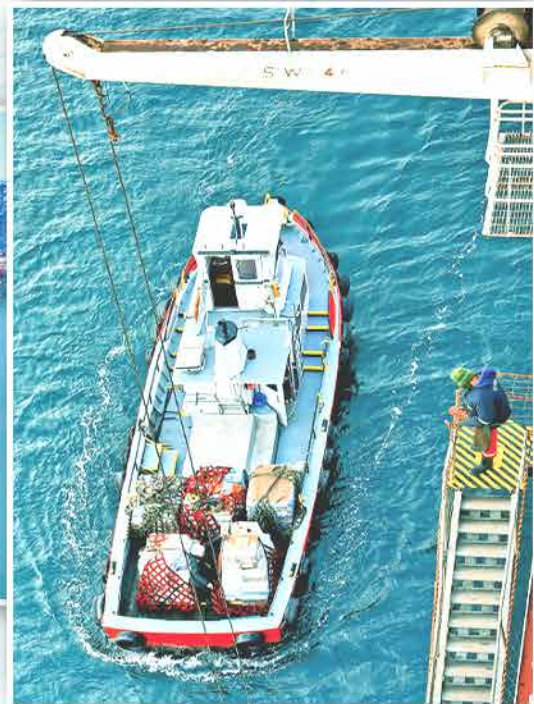

---

# ABOUT US

Our company is a newly established shipping agency since 2022. We were founded with the goal of providing efficient, safe, and reliable shipping services to meet both national and international logistics needs. With a team of experienced and professional individuals in their respective fields, we are committed to supporting various industries in managing their shipments with ease and punctuality.

As the shipping and logistics industry continues to evolve, we strive to keep up with the latest trends and technologies to improve the quality of our services. We offer a range of services, including clearance, transshipment, and document management, ensuring that our clients receive the best solutions for their shipping needs.

With the vision of becoming a trusted partner in the shipping industry, we continue to develop ourselves and expand our network to provide better services to customers worldwide.

# VISI & MISSION

## Vision

To become the leading, trusted, innovative and professional shipping agency company, providing the best services to support vessel operations at both regional (Asia) and global levels.

## Mission

- To provide efficient, safe, and reliable services to meet the needs of vessels and clients.
- To build long-term relationships with clients through professional, transparent, and accountable service.
- To develop innovative logistics solutions to support the smooth operation of vessels.
- To be a trusted partner for vessel fleets by always prioritizing quality and reliable service.
- To continuously enhance the company's competencies and expertise to compete globally in the shipping industry.

# OUR SERVICE

We provide Ship Agency and Supply Marine Services including procurement and delivery of various types of goods to ships, including fuel, food, water, crew supplies and special equipment. We handle shipping arrangements to and from the port, as well as ensuring the smooth operation of the ship.

# SHIP AGENCY

We serve the standard ship agency services with an extensive range of complementary services covering global hub agency, husbandry, bunker fuel supplies, ship spares logistics, underwater hull cleaning and more. Whether you're controlling an entire fleet or a single vessel, our comprehensive portfolio of services can be tailored to your needs.

## BUNKER (FUEL OIL)

We provide fuel oil for all types of engines, including high-speed diesel engines or others. We guarantee that the fuel oil we distribute meets the required specifications, both in terms of quality and quantity. Fuel distribution can be carried out via sea or land routes (ports). All of our crew or employees involved adhere to the applicable Standard Operating Procedures (SOP).

# OFFSHORE

## The services we offer include :

### 1. Maintenance and Repairs

Providing maintenance and repair services for offshore facilities and equipment, such as drilling rigs, platforms, or vessels, to ensure safe and efficient operations.

### 2. Transportation and Logistics

Organizing the transport and delivery of equipment, materials, and crew between ports and offshore locations using ships, helicopters, or other transportation modes.

### 3. Provisioning and Crew Needs

Supplying logistics for crew working at offshore locations, including food, water, and other necessities to ensure their comfort and well-being during their assignment.

### 4. Crew Services

Assisting with crew changes, immigration documents, and other needs during the vessel's stay in port.

### 5. Safety and Security Services

Providing safety and security services to ensure that all offshore operations are conducted in compliance with strict safety standards, including safety training and on-site supervision.

# CREW CHANGE

## The Crew Change services we offer include :

### 1. Crew Transportation

Arranging safe and timely transportation of crew members to and from the vessel or offshore platform using specialized vessels, helicopters, or other means of transportation.

### 2. Documentation and Regulatory Compliance

Handling all the necessary paperwork, including visas, permits, and immigration requirements, ensuring compliance with local and international regulations.

### 3. Crew Welfare and Support

Providing support for crew members during their transition, including accommodation, meals, and other welfare services.

### 4. Emergency Crew Change

Facilitating urgent crew changes in case of medical emergencies, operational requirements, or other unforeseen circumstances.

### 5. Coordination with Port and Offshore Authorities

Working with relevant port authorities, immigration, and other agencies to ensure a smooth and hassle-free crew change process.

# MOORING & PILOTAGE

## The Mooring & Pilotage services we offer include :

### 1. Mooring

Providing mooring services to ensure the vessel is safely docked at the port or other docking points. We use the appropriate equipment and procedures to ensure the vessel is securely and stably moored.

### 2. Pilotage

Providing licensed, experienced pilots to assist the vessel in the navigation process within the port or restricted waters. Our pilots will guide the vessel in and out of the port safely, avoiding obstacles, and ensuring the vessel follows the correct path according to port regulations.

### 3. Coordination with Port Authorities

Coordinating with port authorities and relevant parties to ensure smooth mooring and navigation processes, while complying with all safety and regulatory requirements.

### 4. Emergency Services

Providing emergency handling services in case of any unforeseen situations during the mooring or navigation assistance process.

# HUSBANDRY

## The Husbandry Services we offer include :

### 1. Crew Needs Provision

Providing basic crew needs such as food, water, and other facilities while the vessel is in port.

### 2. Coordination with Port Authorities

Organizing and coordinating vessel activities with port authorities, including necessary permits and administrative procedures.

### 3. Medical and Health Services

Providing medical services to the crew if needed, including health check-ups and basic medical care facilities.

### 4. Documentation and Permits Handling

Managing the processing of various documents, including port permits, crew visas, and immigration and customs requirements.

### 5. Provisioning

Ensuring the vessel is stocked with essential supplies such as fuel, fresh water, food, and other items required during operations.

### 6. Emergency and Security Services

Providing support for handling emergency situations, including crew evacuation if needed, and ensuring the safety and security of the vessel in port.

# PROVISION

We offer a complete line of fresh, frozen and dry supplies that we stock ourselves warehouse containing state of the art refrigeration and freezer facilities.

# DECK STORE

PT SLT also supply to vessels with all their deck requirements. These include: protective equipment, paints and brushes, ropes and mines, rigging equipment, cleaning products; general deck items such as safety equipment, stationery, medical equipment, brushes and pedestal, cleaning materials, chemicals, and others.
